Posada 2022. After a few years of Mary & Joseph being stuck in my house....Posada is back! What is Posada all about? During the evenings leading up to Christmas Day, a nativity set of Mary and Joseph travel around the parish, visiting a different member of our church every night. This provides a great opportunity to meet new people from our church family, or get to know others a little better as you transport Mary and Joseph to the next home on the rota. There is a prayer to say as you welcome them into your home and as you set them off on their journey to the next one. If you would like to offer Mary and Joseph a home for the night this Advent, please contact Helen Dancer at helen@nsolve.com or phone: 07854173016 (text probably best) or 765144, giving me suitable dates and I add you to the rota. I will also have the rota with me in church, so catch me after the service. I hope there will be room in your inn this year!

The next **Mothers' Union Bible Study** will be at 10.30am on **Tuesday 6th December** at **89 Derwent Avenue**. Everyone is very welcome. Please contact Jane Hedges for further details.

Building Project: Important Update We have made significant progress with fundraising for our building project, and would like to thank everyone for their generous support. We reflected on our building project at our recent PCC meeting, and considered the inflationary pressures on building work, and the fact that some of our grant funding will expire in 2023. In light of this, we considered a proposal from our architect to reduce

the scope of our extension in order to fulfil the core vision of our project: to have accessible toilet facilities, a kitchenette, a flexible space at the back of church, and a refurbished vestry. The PCC agreed unanimously to go ahead with this proposal, subject to planning and faculty permission which will be resubmitted in the coming months. Early indications suggest that we have raised almost enough funds to be in a position to build next year – we will share more detailed costings, and a fuller update on the proposal, in due course. We would ask everybody to hold this decision in their prayers as we look to the prospect of completing the core vision of our building project next year. Don't hesitate to speak to Laura, the churchwardens, or anyone on PCC if you have any questions.

Warm Space Project: volunteers needed! Discussions are taking place about offering the Coach House as a warm space on Friday mornings in the winter. Helen is compiling a list of volunteers who would be willing to volunteer with this community project. Please let Helen know (office@hthq.uk) if you would be able to help. It would be a matter of offering refreshments, possibly arranging some activities (e.g. board games), and generally being a friendly face!
