Housekeeping matters during the building work: Please kindly note that toilet facilities are available at the Coach House, and the vestry is now strictly out of use. Seating is more restricted inside the church - please be considerate when choosing a pew and allow space for latecomers if possible (**please consider filling up from the front!**). The back pews are reserved for children and families attending Sunday school. In the event of an emergency, fire exits are at the main church door and the chancel door. As the colder months approach please remember to wrap up warm when you come to church. With the north aisle boxing we don't have the full benefit of the church heating. Fleece blankets are available from the welcomers if needed!

We are so grateful that the building work is progressing smoothly and to plan! Although the church will look and feel quite different over the coming months of building work, we remember that we have laboured for a very long time to bring these plans to fruition, and we all look forward in faith and hope to the completion of the works in 2024. Please continue to hold the project in your prayers. As the psalmist writes: 'unless the Lord builds the house, those who labour build it in vain' (Psalm 127.1). We ask you all to pray especially for wisdom for our architect and contractors, and for peaceful relations with our neighbours and local residents affected by the work.

God of vision and hope,
we thank you for our church building;
a place of prayer and pilgrimage,
witnessing to your love and presence in our midst.
We pray for our plans to develop the building
to further the work of your kingdom in this and future
generations.

We pray for the guidance, resources and skills we need to bring the project to completion, and that we would be united in vision and focus as we work towards this goal, in the name of Jesus Christ our Cornerstone. Amen.

The Church Electoral Roll: do you need to update?

The Annual Parochial Church Meeting is coming upon us again. This APCM for our parish gives us the chance to review the past year, look ahead to the year to come, and elect the people who will take part in the making of decisions on parish matters. Everyone is welcome to attend, but if you wish to vote or to stand for office you need to be on the parish electoral roll, our list of voting members. The electoral roll also lets us know how many members we have, which is useful in all kinds of ways. So please consider joining if you consider yourself part of our community but are not yet on the roll. If you are already on the roll, have you moved house in the last year? If so, please let me know.

Is there anyone who needs to be removed from the roll, because they have died or moved away? If so, please let me know.

Are you not on the roll, but you would like to be? Please pick up an application from the church, or download it from the church website, fill it in and return it, either to church or direct to me, either physically or by email – you can fill in and return the form electronically, it doesn't need a physical signature if you return it by email.

I'm also pleased to answer any questions you may have – I can even tell you whether you live inside or outside the parish boundaries!

The roll has to be closed for some weeks before the annual meeting, so please ensure that any applications or other changes are notified to me before **21st April 2024**. Thank you.

Fr Christopher Hewetson it is with great sadness that we have learned that Fr Chris died in North Devon on Tuesday 2 April. Fr Chris succeeded Fr Head as Vicar of Holy Trinity in 1990. The Ministry of Fr Chris and his wife Alison is remembered with much fondness and gratitude. An example of this being the Coach house which came into being during his time here. Our love and prayers go with Alison, his wife, and all the family.

Hearing Loop Update: our loop system had to be disconnected during the work on the west end of church, we are really pleased that the contractors have found a way to reinstate it and it is now functioning. Please have a chat with a welcomer or one of the sound team if you are having problems.

APCM The Annual Parochial Church Meeting is coming up on **Wednesday 22 May at 7.30pm in church.** This APCM for our parish gives us the chance to review the past year, look ahead to the year to come, and elect the people who will take part in the making of decisions on parish matters. Everyone is welcome to attend so please put this date in your diary.

This week's Eco Tips: Simplicity and Sustainability. We're told that eating more plants and less meat and dairy is the single biggest step to reducing our carbon footprint, besides being good for our health. If Veganuary was not for you, why not try giving up meat and dairy for just one day a week? *Hilary Rollin, Eco Group.*
