Housekeeping matters during the building work: Please kindly note that toilet facilities are available at the Coach House, and the vestry is now strictly out of use. Seating is more restricted inside the church - please be considerate when choosing a pew and allow space for latecomers if possible (**please consider filling up from the front!**). The back pews are reserved for children and families attending Sunday school. In the event of an emergency, fire exits are at the main church door and the chancel door. As the colder months approach please remember to wrap up warm when you come to church. With the north aisle boxing we don't have the full benefit of the church heating. Fleece blankets are available from the welcomers if needed!

We are so grateful that the building work is progressing smoothly and to plan! Although the church will look and feel quite different over the coming months of building work, we remember that we have laboured for a very long time to bring these plans to fruition, and we all look forward in faith and hope to the completion of the works in 2024. Please continue to hold the project in your prayers. As the psalmist writes: 'unless the Lord builds the house, those who labour build it in vain' (Psalm 127.1). We ask you all to pray especially for wisdom for our architect and contractors, and for peaceful relations with our neighbours and local residents affected by the work.

God of vision and hope,
we thank you for our church building;
a place of prayer and pilgrimage,
witnessing to your love and presence in our midst.
We pray for our plans to develop the building
to further the work of your kingdom in this and future generations.
We pray for the guidance, resources and skills we need
to bring the project to completion,
and that we would be united in vision and focus

as we work towards this goal,
in the name of Jesus Christ our Cornerstone.
Amen.

Lent Resources

Lent begins on **Wed 14th February** (Ash Wednesday). We will mark this with a Eucharist at 10am (with imposition of ashes). We will not hold a choral service this year, but you are warmly invited to attend the service at Christ Church Cathedral (at 6pm).

This year's Diocesan 'Come and See' course is entitled: The Way of Love. Everyone who registers will receive a daily short email to reflect on, and a weekly short video from Bishop Steven exploring the themes in a bit more detail. The materials are suitable both for those who are exploring faith for the first time and those with an established faith. There are also special materials for family groups and schools. You can sign up here: <https://oxford.anglican.org/come-and-see>

If you would like a book to help deepen your life of prayer during Lent, Revd Laura recommends: *The Way of Ignatius: A Prayer Journey through Lent*, by Gemma Simmonds. If you are interested in meeting to discuss the book, please get in touch with Laura: we may set up a group meeting midway through Lent to share our reflections together.

This week's Eco Tips: Around a third of the food produced globally is wasted. Bananas are among our most wasted food products, UK households throwing away 920,000 every day. Why not freeze over-ripe bananas in chunks for an instant 'ice cream' then blend with a little peanut butter; or mash, freeze and make into banana bread or banana pancakes. Still on the theme of rescuing items from the fruit bowl; that lonely apple or pear, chopped up and heated in a saucepan with a little butter, brown sugar and cinnamon, will make an ace porridge topper. *Hilary Rollin, Eco Group.*
