Picturing the Passion: Holy Week through our Church Building
This year during Holy Week we will use features of our church building as a visual focus for prayer and devotion. The clergy will offer talks on Maundy Thursday, Good Friday, and Easter Day, which will focus on three of our beautiful stained glass windows. Other images of the building will complement the services on Palm Sunday, Wednesday Compline, and the Easter Vigil. Our hope is that, during this time of change and transition, we can be reminded of the story of our church building, and find renewed hope and courage as we look to the future.

Housekeeping matters during the building work: Please kindly note that toilet facilities are available at the Coach House, and the vestry is now strictly out of use. Seating is more restricted inside the church - please be considerate when choosing a pew and allow space for latecomers if possible (**please consider filling up from the front!**). The back pews are reserved for children and families attending Sunday school. In the event of an emergency, fire exits are at the main church door and the chancel door. As the colder months approach please remember to wrap up warm when you come to church. With the north aisle boxing we don't have the full benefit of the church heating. Fleece blankets are available from the welcomers if needed!

We are so grateful that the building work is progressing smoothly and to plan! Although the church will look and feel quite different over the coming months of building work, we remember that we have laboured for a very long time to bring these plans to fruition, and we all look forward in faith and hope to the completion of the works in 2024. Please continue to hold the project in your prayers. As the psalmist writes: 'unless the Lord builds the house, those who labour build it in vain' (Psalm 127.1). We ask you all to pray especially for wisdom for our architect and contractors, and for peaceful relations with our neighbours and local residents affected by the work.

God of vision and hope,
we thank you for our church building;
a place of prayer and pilgrimage,

witnessing to your love and presence in our midst.

We pray for our plans to develop the building to further the work of your kingdom in this and future generations.

We pray for the guidance, resources and skills we need to bring the project to completion, and that we would be united in vision and focus as we work towards this goal, in the name of Jesus Christ our Cornerstone. Amen.

The Church Electoral Roll do you need to update?

The Annual Parochial Church Meeting is coming upon us again. This APCM for our parish gives us the chance to review the past year, look ahead to the year to come, and elect the people who will take part in the making of decisions on parish matters. Everyone is welcome to attend, but if you wish to vote or to stand for office you need to be on the parish electoral roll, our list of voting members. The electoral roll also lets us know how many members we have, which is useful in all kinds of ways. So please consider joining if you consider yourself part of our community but are not yet on the roll. If you are already on the roll, have you moved house in the last year? If so, please let me know.

Is there anyone who needs to be removed from the roll, because they have died or moved away? If so, please let me know.

Are you not on the roll, but you would like to be? Please pick up an application from the church, or download it from the church website, fill it in and return it, either to church or direct to me, either physically or by email – you can fill in and return the form electronically, it doesn't need a physical signature if you return it by email.

I'm also pleased to answer any questions you may have – I can even tell you whether you live inside or outside the parish boundaries!

The roll has to be closed for some weeks before the annual meeting, so please ensure that any applications or other changes are notified to me before 21st April 2024.

Thank you.
